## NRCHA E-Cow Work

---

### *Note From the President*

The National Reined Cow Horse Association is off to a great start in 2010. The Celebration of Champions and World's Greatest Horseman are now behind us and San Angelo was a great place to be. Great facility and unbelievably friendly and helpful volunteers make you really feel at home at the Spur Arena. Congratulations to all our newly crowned World Champions and to Randy Paul, the 2010 World's Greatest Horseman.

As your new President, let me introduce myself and give you some background. I have been involved with Reined Cow Horses since 1978. I competed as a youth, then competed as a Non Pro, and was privileged to win the 1989 Non Pro Snaffle Bit Futurity. I married Carl Gould and became the dreaded 'trainers wife' - (Trainers spouses are laughing right now). I turned in my Non Pro cards in 1997 to help with the training and management of our new facility when we bought our ranch in Raymond, California.

With the help of Carl and some clients, we started the Valley Cow Horse Association in 1998. That association grew to host some of the biggest West Coast Reined Cow Horse shows, including the Pre-Futurity in 2002 and 2004. I also own Saddle Up Enterprises which manages and secretaries many shows on both the east and west coast.

I have been a member of the NRCHA Board of Directors for 5 years and have served on the Executive Committee for the past two years. This background and many roles give me a well-rounded perspective for my new office.

I look forward to my new role with this great Association. I feel that even in our tough economy the horse business has stabilized and is starting to grow. There's good news on the horizon.

The newest "great news" that was announced during the NRCHA Celebration of Champions is the increase in added money for the Intermediate Open Snaffle Bit Futurity beginning in 2010. Carol Rose has secured a sponsorship from our Corporate Partner Cinch of \$25,000 for Intermediate Open Futurity, making the total added money in that division \$70,000! With that done, the Board opted to add \$15,000 back to the Open Futurity that had previously been reduced.

I am all about communication. Don't just talk and complain at the back gate, be involved in the solution. If you have a complaint or, even better, an idea for a solution, send it to a board member, write it down, send an e-mail. (My email is [gouldtraining@sti.net](mailto:gouldtraining@sti.net) and I look forward to hearing from you!) If we receive something in writing it can be put on a Board Meeting agenda for discussion.

It's also helpful to go to committee members that represent the area of concern. Currently, our committee chairs are:

Executive Committee - Howard Erenberg  
Show Committee - Jon Roeser  
Sponsor Committee - Carol Rose  
Non Pro committee - Paul Bailey  
Youth Committee - Paul Bailey  
Affiliate Committee - Marilyn Peter  
Rules Committee - Lyn Anderson  
Judges Committee - Sam Rose  
Horse Sale Committee - Sandy Collier  
Ethics Committee - Howard Erenberg  
Stock Horse News Committee - Darren Miller  
Marketing Committee - Jay McLaughlin  
Stallion Auction Committee - Howard Erenberg  
Long Range Planning Committee - Dave Archer  
Hall of Fame Committee - Ronnie Richards

In recent years, the NRCHA Board has had to make some tough and often unpopular decisions in order to stay financially solvent and strong. The good news is that everything looks to be on a great track going forward. Plus we're already hearing from members with good ideas coming in that should help us grow and prosper.

## ***Upcoming Deadlines***

## ***Seminar Suggestions Sought for Snaffle Bit Futurity***

*Do you have an idea for an informative seminar?* Please send in your suggestions (or volunteer) to hold seminars in the Trade Show area during the Snaffle Bit Futurity. Email to nrcha@nrcha.com.

## ***Non Pro News***

The Non Pro meeting held on February 6 in San Angelo was well attended by Non Pros from all across the country. A recap was given on rule changes for 2010. Although the Non Pro Two Rein is not a sanctioned class for this show year NRCHA is offering the class at all of its premier events as well as many affiliates are offering the class too. The consensus of the Non Pros present was to ask the NRCHA board to re-approve the Non Pro Two Rein for 2011. So, if you have a Two Rein horse, please participate when offered.

Remember the Non Pro Limited class is a fully sanctioned class this year with World Show Qualification. Be sure to review ownership requirements for this class. The Intermediate Non Pro Bridle is in its second year as a provisional class. If your affiliate is not offering this class please encourage them to add the Intermediate Non Pro Bridle to their show schedule.

If you have Non Pro news or comments please direct them to me at [paulb@cb-trucking.com](mailto:paulb@cb-trucking.com).

## ***NRCHYA Officers Elected in San Angelo***

Good luck and congratulations to all of our new NRCHYA Officers who were elected in San Angelo. Sam Etsell was elected President, Walker Pozzi will serve as Vice President, Jocce Doramus is the new Secretary, and Rachel Logan was elected as the Treasurer. Kimberly Ferrante, Abby Suvada, and Shelby Ray were appointed to the NRCHYA Board of Directors.

The youth were very excited to have the "youth center" at the Fort Dodge Animal Health Celebration of Champions. Sofa and love seats were provided as well as a big screen TV and lots of movies. When the youth weren't competing you could defiantly find them kicked back relaxing watching a movie and eating popcorn. Lots of new friendships were made and the youth really felt that they were part of the World Show experience.

Thanks to all the parents and volunteers who donated time and money to the youth association. They are an investment in the NRCHA's future.

***-NRCHA Youth Committee Chairman Paul Bailey***

## ***Affiliate Meeting Held at San Angelo***

An NRCHA Affiliates meeting was held on February 4, 2010 in San Angelo, Texas during the Celebration of Champions. We had excellent attendance, with representatives from at least 12 affiliates present and it was great to announce that the NRCHA has two new affiliates - a new one in Central Oregon and another in Michigan. There were 12 applications this year for Affiliate of the Year, and the new Affiliate of the Year, Ohio Reined Cow Horse Association, topped the list and received the \$1,500 award. The Colorado Reined Cow Horse Association was the Runner-up, earning \$1,000.

There was an overwhelming push to reinstate the Non Pro Two Rein for 2011 and several recommendations on how to implement it were discussed. Those in favor are to coordinate through the Non Pro committee and bring their thoughts to the board.

There was good discussion between the affiliates on ways to raise money and make the shows more cost effective, as well as suggestions on how to bring more members to the affiliates and NRCHA.

Several of the topics addressed were having jackpot classes, such as cutting or reining, the inclusion of AQHA classes, offering entry level classes at a greatly reduced fee, inviting participants

from other venues to participate at no cost one time, and having youth classes with very low or no entry fees.

The affiliates present thanked Carri Warren for her work as liaison to the Affiliates Committee. The NRCHA trainers clinics were discussed and a list is being compiled to send to the affiliates. Rules for the program include that the trainers expenses must be paid and that each trainer is only available for one of the free clinics.

The NRCHA sponsorship awards were passed out to the representatives of the affiliates present who had applied. We asked that any suggestions that people had be put in writing, and sent to the appropriate committee. All In all , it was a very positive and constructive meeting and I thank all who came and participated. Keep up the good work.

***Marilyn Peters, NRCHA Affiliate Committee Chairman***

## ***Still Need a Great Breeding?***

There are still some breedings available from the NRCHA Stallion Service Auction at HALF THE ADVERTISED STUD FEE. The breedings remain available for purchase on a first come -first served basis.

The first person to contact the NRCHA Office and bids at least half the breeding fee will be awarded the breeding. Please contact the NRCHA office at 580-759-4949 with any questions. Click the address below to view the available breedings.

## ***CowTrac Systems Becomes NRCHA Sponsor***

The National Reined Cow Horse Association announced that its newest Sponsor, CowTrac Systems, had come on board shortly before the 2010 NRCHA World Championship Show Presented by John Deere.

NRCHA Sponsor Committee Chairman Carol Rose noted, "We are very pleased to have CowTrac Systems as part of the NRCHA Sponsor family. The system is an innovative training tool that helps promote the continued growth of the sport by allowing for repetitive training with little to no cattle cost. We appreciate Nelson's generosity and support of the NRCHA."

Seven years ago, Nelson Seiden and his wife, Colleen, became involved in reined cow horse competition. Living in Santa Cruz, California, meant that cattle were a scarce commodity. Although they had horses in training, they wanted to be able to work on the basics at home.

Thus CowTrac Systems was born in 2005. Seiden remembers, "I felt I could build something we could use. Over the next few years I refined it to the point I was able to show it to some professionals. With their help I was able to get it to be a good quality product."

The real benefit of the CowTrac System is that it is used in a controlled environment, and helps to teach and enforce herd work basics and fundamentals. "You can't get cattle to do the same thing over and over. So if you or your horse makes a mistake you might have to wait a while before the cow does the same thing. With our system, you can really work on any difficult areas," he said.

Along with setting up complimentary systems at NRCHA Premier events for exhibitors to use as a training tool, one system will be awarded at the Celebration of Champions, Stakes, Hackamore Classic, Derby, and Snaffle Bit Futurity. The system will be awarded to an aged event winner, except at the Celebration of Champions, where it was awarded to a 2009 World Champion – Non Pro Limited Champion Robin Murphy of San Antonio, Texas.

"It's just incredible to me how much fun the NRCHA and the sponsors have made this. It just makes me want to show in the NRCHA even more. I'm thrilled to have won the CowTrac System. What an opportunity and what a great gift. I've looked at them before and thought it would be fun to have – and now I have one! It made an awesome experience even better," Murphy said of her World Championship Show experience.

“We’ve been buckle sponsors for the past two years and thought this would be a good opportunity to increase our contribution to the organization,” Nelson noted. “Our goal is to help improve the quality of the sport and to provide an economical method for people to develop their skill set.”

CowTrac System's mechanical cow trains horses to work a cow, stop straight, improve roll backs and maintain proper position. The System is owned and endorsed by many of the top reined cow and cutting trainers like Al Dunning, Bob Avila, Ken Wold, Ted Robinson, Todd Crawford, Benny Guitron, Russell Dilday, Tommy Thompson, Ron Emmons, Les Oswald, Wes Chappell, Kevin Stallings, Barbra Schulte, Rock Hedlund and Larry Trocha. For more information on CowTrac, visit the website at [www.cowtrac.com](http://www.cowtrac.com).

## ***Stick Horses and a Very Wild Bunch***

Costumes, music, laughter and fun were all on the agenda for the evening on Thursday, February 4. The First Community Credit Union Spur Arena sported a more casual air with the Mosaic TRAILS/Rein In Cancer Celebrity Stick Horse Reining and the NRCHA Youth Wild Bunch Costume Freestyle.

But the action and fun wasn't limited to the arena. Robin Sugg of San Angelo hosted a pre-competition reception in memory of her mother, Mary Sheard Sugg. Catered by River Terrace Restaurant, the heavily attended event gave San Angelo natives, including San Angelo Mayor Alvin New, an opportunity to meet NRCHA members.

The Celebrity Stick Horse Reining featured ten local celebrities who donned specially decorated horse costumes to complete a designated pattern. Judges, including NRCHA President Kathy Gould and NRCHA Judges Committee Chairman Sam Rose, evaluated each performance. In the end, it was San Angelo Chief of Police Tim Vazquez who won first place. Second went to Dr. Gary Hodges and third place was Marguerite Pickett. Local news stations KSAN and KLST were on hand to give the event great coverage.

Mosaic began its therapeutic riding program called Mosaic Therapeutic Riding for the Achievement of Individual Life Success in 2007. Its new goal is to build an indoor riding arena, so money raised from the Stick Horse Reining will go towards the new facility.

The other beneficiary of the event was Rein In Cancer, an equine based entity that has raised hundreds of thousands of dollars to aid in the fight against cancer.

Following the Celebrity Stick Horse Reining, it was time for the Wild Bunch Costume Freestyle. The National Reined Cow Horse Youth Association is beginning its second year, and the NRCHYA Board decided to bring back a veteran tradition – the Wild Bunch.

The Wild Bunch – a freestyle Reining and Costume Class – was a staple at the NRCHA Snaffle Bit Futurity for many years. It grew in popularity and craziness, earning its moniker over time.

The Wild Bunch, which featured \$500 in added money and prizes sponsored by Dennis Moreland and DM Tack, had five entries. It was Morgan Holmes who won the Open division, collecting \$150, and Kimmy Ferrante won the Limited division and \$150, while Christina Allen earned the title of Best Costume. Youth Committee Chairman Paul Bailey noted the event was a success. “I think that it was a great start. People didn’t know what we were doing, but I think next year we’ll have even more entries,” he noted.

## ***A Prayer for the Arena***

Heavenly Father,  
Please protect us during our time in the arena.

Let us ride well, but fairly  
Let competition make us strong but never hostile.

If we know victory, grant us happiness  
If we are denied, keep us from envy

With both, help us look ahead to the next time  
And to the next step in your plan.

Don't define us by the moments when we are cheered,  
But by the time we take to help another

Help us commit in our hearts and remember  
That everyone who enters the arena becomes our brother or sister.

Guide us each day so we become  
Better riders, better competitors and better people.

And always let us strive not only to win in this show pen  
But to be victorious in the arena of life Amen

# Congratulations to our New World Champions and World Championship Show Finalists!
