# NRCHA E-Cow Work

### **LETTER FROM THE PRESIDENT**

*The Fort Dodge Animal Health NRCHA Celebration of Champions, featuring the NRCHA World Championship Show, World's Greatest Horseman and the Circle Y Derby was a resounding success thanks to all the NRCHA members who attended, the wonderful volunteers from all over San Angelo who made us feel incredibly welcome and especially the San Angelo Stock Show and Rodeo Association members who helped bring us to San Angelo.*

*The attention to every detail was astounding, from the first stop when checking into your stalls where you were greeted with snacks and drinks, to the volunteers who showed you to your stalls and helped to bed them, to the extra amenities available in all the barn restrooms, to the special breakfast hosted by Dr Gary and Kathy Hodges and Robin Sugg, the daily coffee and donuts courtesy of Charlie Ducote and so many other little things.*

*We knew we were in a town that was happy to see us. The weather was fantastic, the Spur Arena was large, had great ground and was fun to show in. The cattle were challenging but workable and it all made for a great spectator event. There were lots of new faces in the crowd and we met new friends from Kansas and Nebraska that had never heard of a reined cow horse but are now hooked and I would be surprised if we don't see them at next year's show.*

*Congratulations to all the newly crowned World, National, Derby and World's Greatest Champions. It was a spectacular year.*

*Lyn Anderson, NRCHA President*
